

TECHNICAL MATTERS AND CONCERNS

PRICES FOR TECHNICAL SUPPORT AND SERVICES AND FOR EQUIPMENT RENTAL

- The indicated rates are valid for all in-house equipment, as long as such is in stock.
- If equipment has to be rented from the outside, the rates of the external purveyor will be charged.
- All appliances and equipment are only rented out for their use in the SEEDAMM PLAZA.
- Upon request we also provide technical equipment for you that is not part of this list.
- Besides the rental cost the listed rates also include the personnel cost for equipment installation and instruction for its use.
