

Respectability rules for employees and guests in the SEEDAMM PLAZA during COVID-19

In view of the current situation, various measures have been taken on the instructions of the Federal Office of Public Health (BAG) specifications.
Your and our health is important to us! We always keep ourselves up to date.

Information for hotel guests:

The information sheet for our hotel guests can be viewed [here](#).

Information for the festive season and the restaurants:

In accordance with the BAG (Bundesamt für Gesundheit) and the Federal Council decision of 18.12.2020, all restaurants of the SEEDAMM PLAZA will be closed from 22.12.2020 to 22.01.2021 for external guests AND also hotel guests. Breakfast for hotel guests will take place.

Protection concept:

The SEEDAMM PLAZA has developed a comprehensive protection concept.
This can be viewed at the hotel on request.

We are also happy to answer your questions at info@seedamm-plaza.ch or T+41 55 417 17 17.

You are in good hands with us. We would be pleased to inform you about the following further points.

Temperature measurement:

In addition, our employees measure their temperature when they start work. At elevated temperature there is no access to the SEEDAMM PLAZA.

Air supply:

Our ventilation system draws in 100% fresh outside air.
Separate air streams lead stale air outside - fresh outside air is heated and brought in.

The amount of air continuously exchanged guarantees a very high level of hygienic perfect air quality in the SEEDAMM PLAZA.

Spacious rooms and high ceilings:

The SEEDAMM PLAZA has a large number of spacious and expansive rooms with high ceilings.
This means that the minimum distance and our comprehensive protection concept can be used for the occasions which are always adhered to at all times.

Hygiene checks & increased cleaning intervals:

Our public rooms, the WCs and also the hotel rooms are cleaned in elevated frequency. The hotel rooms are cleaned after a final room & hygiene check.
"sealed" by the housekeeper for the guest.

Food presentation:

In general, the meals are individually packaged and offered for consumption in portions.
Buffets are avoided as far as possible.
